

## RSNA Video Profile: Medinformatix

December 10, 2009

by Brendon Nafziger, Writer

At RSNA 2009, DOTmed News met up with Kristine Lowe, business manager of Medinformatix, an electronic medical record provider. Ms. Lowe explains how their software can streamline billing, integrate with PACS, and how it relates to the forthcoming American Recovery and Reinvestment Act stimulus money for HIT adoption.
