"13 Microsoft Nominations in 8 years"

15 Branches of Clinica Medica San Miguel Initiate Electronic Medical Record System

Medinformatix Is Clinics' Technology Partner in Implementing System

LOS ANGELES, CA -- (MARKET WIRE) -- November 20, 2006 -- Clinica Medica San Miguel, one of Los Angeles' largest multi-specialty medical groups, has initiated an electronic medical record system and selected Medinformatix as its newest technology partner, it was announced today by Dr. Mahfouz Michael, Founder and Medical Director of Clinica Medica San Miguel.

"Clinica Medica San Miguel decided to convert its 15 clinics and four 24 Hour Urgent Care facilities to the new electronic medical record system so we can better serve the 600,000 patients we treat each year," said Dr. Michael. "We selected Medinformatix because of the company's outstanding reputation, focus on user friendly computer programming, and cooperative development staff."

Clinica Medica San Miguel celebrates its 25th Anniversary in 2007 and has the distinction of being Los Angeles' largest clinical medical group serving the Hispanic community. For information on the clinics' 15 locations, please call 1-800-322-2222 or go to www.clinicamedicasanmiguel.com.

About Medinformatix:

Medinformatix, Inc. is a leading national provider of fully integrated Electronic Health Records. The products have been built around Medinformatix 25 years of workflow expertise. Our product is designed on a single database using Microsoft SQL. Whether the installation is a single physician who went Live in 1994, a national Cardiology practice, the busiest Radiology practice in Manhattan, or one of 15 other specialties we service, we accommodate their needs. See why so many practices from various specialties choose to use our award winning products: 13 Microsoft nominations in 8 years. Medinformatix can turn the dream of a paperless, integrated practice into a reality.
